SOMETHING ABOUT MY SELF

As a professional, I never lose an opportunity to learn, explore and improve. Not taking the easy way out is the work mantra I follow and so believe in giving my 100% to every thing that I do. With hard work, patience and professional skills as my biggest virtues, I strive to work in an environment that would open up further the avenues of growth for me.

A self taught musician and a meme enthusiast, I am also a budding cook who does not shy away from experimenting with food and various my wife in our kitchen.
